

Your Company. Your News.

Hydraquip Crawfish Boil is Back!

Earlier this month we were excited to host our 20th annual Crawfish Boil & Tradeshow, after 2 years of absence! This event is an excellent opportunity for our partners to showcase their brands, capabilities, and cutting-edge products and technologies. It is also a great occasion for Hydraquip, SIT and Elite Controls to network and visit with their customers.

We would like to thank everyone for making our Crawfish Boil + Tradeshow successful again this year! A special thanks to SIT for allowing us to host this event at their facility year after year. With nearly 300 people in attendance, it was great to interact with everyone while enjoying delicious crawfish. We look forward to seeing everyone out here again next year!

OVERVIEW

- HYD Crawfish Boil
- No Limits: GCC Sales Meeting
- Q2 Community Involvement
- Who's Who Winners
- Sales Recognition

No Limits: GCC Sales Meeting

Following Hydraquip’s sales meeting, GCC branches across the US joined together in Houston to participate in their quarterly sales meeting. For this meeting, GCC teamed up with their partners – Emerson and Micromatic – to present technical trainings to our sales team. Along with these presentations, Scott Gower, Michael Floyd, Ian Klein and Scott Sund shared various success stories from their particular projects, showcasing how GCC works tirelessly to find the top solutions.

In addition, the sales team was able to tour the SIT Houston facility. This was a powerful opportunity to allow these employee owners a chance to network together in person. And not only did they get to visit with SIT, but time was also spent at Elite Controls as well. Utilizing these sister company synergies will be a crucial part of the business for the future.

Q2 Community Involvement

- ECI & EOH: Safe Harbor
- HYD Houston: Tomball Animal Shelter
